PET GUARDIAN COLLABORATIVE

Better Together

A word from your trainers.

BY BRANDI KING

There aren't many leaves left on the trees these days and the days are getting shorter and shorter. Many of us want to stay indoors during the cold months, but luckily we have pups to keep us energized and enjoying the sunshine. We hope that you all have the opportunity to visit with family during the holidays and have safe travels.

We are using this slower season to reflect on what we've accomplished this year and plan for next year. Keep a lookout on our social media for classes, events, and activities!

Announcement!

All of our operations will move to our 501(c)(3) Nonprofit Organization as of January 1st, 2024.

Pet Guardian Collaborative was founded to act as a resource hub for the community and to help pets overall. In 2024, we will be able to do just that!

We have many exciting things planned for Clarksville's pets and their Guardians, so stay tuned!

If you are looking to spread a bit of generocity this season, please think of us.
